Islander

By Antonin Korenek. The Starcraft Islander is an aluminum boat used for deep-water fishing or cruising. It has a cuddy cabin for lounging or for escaping the elements along with windows to see outside. According to Boating Magazine, the boat is ideal for anglers who may want to speed off to a different spot or even a different port at a moment's notice.

think there ever was a manual for the boat.  
My new 2011 Starcraft Islander never came  
with a manual. You get the manuals for the  
engine/drive, electronics, pumps, steering,  
controls and safety ect but no "boat" manual.

It is a 1987 starcraft islander recently painted with inboard motor. Seller said it ran 2 years ago but it has been sitting since in his yard. The floor is starting to get soft in some places and when we attempted to start it, the motor was not getting spark. I paid \$750 for the boat and trailer. I think I got a heck of a deal for a project.

"Clinker-Built" boats that defined the lapstrake hull. Author Tom Koroknay has used his exclusive access to the original Lyman archives to tell the story of the Lyman family, their successful business, and the boats they built. Era by era, model by model, Koroknay details the development of the lapstrake boats proudly built by the Lymans and their employees. The book is illustrated with more than 120 rare black and white photographs selected from the Lyman archives, as well as about 70 modern color photos of various Lyman boats. This is a must-have volume for any classic wooden boat
