Business By Referral A Sure Fire Way To Generate New ...

What Is Referral Business? Referral business is when you acquire new clients or visitors based on recommendations made by your current clients. You're probably familiar with how this works without even realizing it. Have you ever had a friend love a product so much that they just had to tell you about it? Then, a little later, you decided to purchase the same product and told another friend about your experience? That's referral business in action.
