"Dave Ramsey instructs couples how to work together as a team, gives singles some practical tips for financial accountability, and shows parents how to teach their children about money from a young age"--Container.

In The Money Markets Handbook Moorad Choudhry provides, in one comprehensive volume, the description, trading, analysis and calculations of the major markets around the world, providing worked examples and exercises throughout to provide a landmark publication on this important topic. Unique features, including a list of conventions and trading rules in virtually every market in the world, means that this book is relevant to virtually every money market in the world. Includes an in depth treatment of repo markets, asset and liability management, banking regulatory requirements and other topics that would usually be found only in separate books Written with clarity in mind, this book is vital reading for anyone with an interest in the global money markets Features coverage of derivative money market products including futures and swaps, and the latest developments not covered in current texts

Successful real estate investments play an essential role in Canadian investors' portfolios. The growth in wealth in real estate markets has presented investors with tremendous opportunities to capitalize on and expand their range of investments, and has moved real estate investing from a niche product to a pillar of smart portfolio diversification. In Making Money in Real Estate, 2nd Edition, Douglas Gray demystifies the Canadian real estate market for novice investors and presents new strategies for veteran investors. Learn to: Understand the real estate market cycles Find a property and assess its investment potential Build a trustworthy real estate team Arrange financing on good terms Use negotiating tactics that work Understand tax and legal issues Manage a property Avoid the pitfalls that many investors fall into Examine the pros and cons of non-residential property investment options Readers of previous editions will appreciate the vital changes to mortgage rules, taxation and legislation, and the inclusion of information on commercial real estate. Thorough coverage in plain English makes Making Money in Real Estate, 2nd Edition the next logical step for investors who want to begin or expand their real estate portfolios, and is a critical and indispensable tool in investment decision making.
