Restaurant Nora - Wikipedia

Originally published in Japan by Shibata Publishing, Nora: Cooking in a Healthy Way, focused on cooking healthy with menus and recipes. Two years later, the cookbook was published in English in the United States as Cooking with Nora: Seasonal Menus from Restaurant Nora by Park Lane Press. After receiving a number of positive reviews, the book was a finalist in the Julia Child Cookbook Awards, in the "First Book" category.

Provides light and healthy recipes including soups, salads, main courses, and desserts

A wonderfully engaging memoir from the woman who founded America's first certified organic restaurant, My Organic Life is the story of an unheralded culinary pioneer who made it her mission to bring delicious, wholesome foods to the American table. While growing up on a farm in the Austrian Alps and later in Vienna, Nora Pouillon was surrounded by fresh and delicious foods. So when she and her French husband moved to Washington, D.C., in the 1960s, she was horrified to discover a culinary culture dominated by hormone-bloated meat and unseasonal vegetables. The distance between

good, healthy produce and what even the top restaurants were serving was vast, and Nora was determined to bridge that gap. First as a cooking teacher, then as a restaurant owner, and eventually as the country's premier organic restaurateur, she charted a path that forever changed our relationship with what we eat. Since it opened in 1979, her eponymous restaurant has been a hot spot for reporters, celebrities, and politicians—from Jimmy Carter to the Obamas—alike. Along the way, Nora redefined what food could be, forging close relationships with local producers and launching initiatives to take the organic movement mainstream. As much the story of America's postwar culinary history as it is a memoir, *My Organic Life* encompasses the birth of the farm-to-table movement, the proliferation of greenmarkets across the country, and the evolution of the chef into social advocate. Spanning the last forty years of our relationship with food, *My Organic Life* is the deeply personal, powerfully felt story of the organic revolution—by the unlikely heroine at its forefront.

The New Jewish Table explores the melding of two different cooking cultures, seasonal American and Eastern-European Jewish, sharing the mouth-watering recipes that result from this flavorful union from authors, chef Todd Gray and his wife Ellen Kassoff Gray. More than a love story about what one can do with fresh ingredients, Todd and Ellen talk about the food they grew up with, their life together, and how rewarding the sharing of two people's traditions—and meals—can be. When Chef Todd married his wife, Ellen, who is Jewish, their union brought about his initiation into the world of Jewish cooking. In 1999, Todd combined his love for farm-to-table ingredients with his passion for Jewish cuisine, opening the acclaimed Equinox Restaurant in Washington, D.C. With more than 125 recipes including reinterpretations of traditional Jewish favorites made with fresh, seasonal ingredients, from Yukon Gold and Sweet Potato Latkes, Ellen's Falafel with Pickled Vegetables and Minted Lemon Yogurt, and Roasted Heirloom Beets with Capers and Pistachios, to Matzo-Stuffed Cornish Game Hens, Fig and Port Wine Blintzes, and Chocolate Hazelnut Rugelach, there are recipes for every occasion that the entire family will enjoy.

Ann Cooper, Executive Chef, The Putney Inn, Putney, Vermont, chronicles the history of women's roles in cooking and kitchens, discusses what choices and sacrifices women have made to become successful chefs, and explores the future of women in restaurant kitchens.

"*Hope's Edge*" follows the author of the classic "*Diet for a Small Planet*" and her daughter as they travel the world, discovering practical visionaries who are making a difference in world hunger, sometimes one village at a time.

An imaginative story of a woman caught in an alternate world—where she will need to learn the skills of magic to survive Nora Fischer's dissertation is stalled and her boyfriend is about to marry another woman. During a miserable weekend at a friend's wedding, Nora wanders off and walks through a portal into a different world where she's transformed from a drab grad student into a stunning beauty. Before long, she has a set of glamorous new friends and her romance with gorgeous, masterful Raclin is heating up. It's almost too good to be true. Then the elegant veneer shatters. Nora's new fantasy world turns darker, a fairy tale gone incredibly wrong. Making it here will take skills Nora never learned in graduate school. Her only real ally—and a reluctant one at that—is the magician Aruendiel, a grim, reclusive figure with a biting tongue and a shrouded past. And it will take her becoming Aruendiel's student—and learning magic herself—to survive. When a passage home finally opens, Nora must weigh her "real life" against the dangerous power of love and magic. For lovers of Lev Grossman's *The Magicians* series (*The Magicians* and *The Magician King*) and Deborah Harkness's *All Souls Trilogy* (*A Discovery of Witches* and *Shadow of Night*).
