The fourth novel in the #1 New York Times and #1 USA Today bestselling Crossfire series. Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

Now in one deluxe collection, the first four novels in the #1 New York Times bestselling Crossfire series. Bared to You He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily... Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds... and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession... Entwined with You From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession... Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

The #1 New York Times bestselling autobiography of the guitarist, songwriter, singer, and founding member of the Rolling Stones. Ladies and gentlemen: Keith Richards. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumping Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richard brings us the story of a life we have all longed to know more of, unfettered, fearless, and true.

The instant number one bestseller FROM #1 INTERNATIONAL BESTSELLING AUTHOR SYLVIA DAY The final chapter in the global blockbuster Crossfire quintet Gideon Cross. Falling in love with him was the easiest thing I've ever done. It happened instantly. Completely. Irrevocably. Marrying him was a dream come true. Staying married to him is the fight of my life. Love transforms. Ours is both a refuge from the storm and the most violent of tempests. Two damaged souls entwined as one. We have bared our deepest, ugliest secrets to one another. Gideon is the mirror that reflects all my flaws ... and all the beauty I couldn't see. He has given me everything. Now, I must prove I can be the rock, the shelter for him that he is for me. Together, we could stand against those who work so viciously to come between us. But our greatest battle may lie within the very vows that give us strength. Committing to love was only the beginning. Fighting for it will either set us free ... or break us apart. Heartbreakingly and seductively poignant. One with You is the breathlessly awaited finale to the Crossfire saga, the searing love story that has captivated millions of readers worldwide.

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners through an entire day in 1904. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor.

Earth is trapped in the crossfire of an unwinnable war between two alien civilizations. Its leader is perpetually on the verge of death. And on top of it all, a new drug has just entered circulation—a drug that haphazardly sends its users traveling through time. In an attempt to escape his doomed marriage, Dr. Eric Sweet scent becomes caught up in all of it. But he has questions: is Earth on the right side of the war? Is he supposed to heal Earth's leader or keep him sick? And can he change the harrowing future that the drug has shown him?

" ... Concise explanations and descriptions - easily read and readily understood - of what we know of the chain of events and processes that connect the Sun to the Earth, with special emphasis on space weather and Sun-Climate."--Dear Reader.
