The Maxwell Series (Alexander) Audiobooks | Audible.com

Dare to Live is the fifth book in S.B. Alexander's amazing Maxwell brothers series, and a book I was highly anticipating because Kody so needed his HEA! Kody has featured as a side character in previous novels and he is the last of the triplets to tell his story.

His touch gave her hope. Baseball phenom Lacey Robinson is stricken with nightmares and panic attacks after losing her mom and sister. A move across the country gives her renewed purpose and hope that she can again play her beloved sport. All she needs to do is try out for the boys' baseball team. She's focused and determined to accomplish her goal until she meets sexy Kade Maxwell. He's a distraction she doesn't need. Kade Maxwell has worked tirelessly to keep his family together since the death of his baby sister. When he goes in search of his brother, he isn't prepared to find a gun pointed at his head by one of the most beautiful girls he's ever seen. Kade vows to win Lacey's heart, but a violent rival from his past returns to town, putting his plans in jeopardy. Lacey and Kade must dare to fight so they can forge a future together.

Risks are always worth taking. Cocky Kelton Maxwell is an impossibly sexy and charming college playboy who's set on attending Harvard Law. He has no interest in the trappings of romance. He only needs a prestigious internship at a highfalutin law firm to seal his application. But when a blast from his past shows up in Boston, his future is jeopardized. Kelton swore he would never put himself through heartache again. He would rather pledge his allegiance to the devil than drop to his knees to worship a woman, especially her. Feisty Lizzie Reardon is on a mission to find the man who stole her inheritance. Her only lead sends her to an art class, where she finds the boy she left standing on the hot Texas pavement several years ago. She isn't prepared to deal with Kelton, and she definitely isn't ready to see him posing naked for a room full of students. Yet she can't help but admire the boy who is now all man, hard, cut, and covered with colorful tattoos. Kelton won't dare to get close. Lizzie won't dare to let him in. Can they both dare to love? This book can be read as a standalone. ABOUT THE SERIES: The Maxwell Series is about four brothers who are all about family, duty, honor, and will do anything to protect those they love. Be prepared for all the feels as Kade, Kelton, Kross, and Kody put their hearts on the line. For a better reading experience, it's recommended to read the books in order. 1. Dare to Kiss 2. Dare to Embrace Praise for Dare to Love: "This book will pull at your heartstrings only to make it beat harder, and make you root for love in the end. This book dives so far into the Maxwell Family that your perception of everyone involved will change. This book is about first love, lost loves, and everlasting loves. S.B. Alexander isn't a "formula" writer. This book stands out, and is definitely her best writing yet." - The Garden of REden "The journey the author has taken his character is full of feels that I crave as a reader. I laughed hard at Kelton's words, and his monologue. My heart was in my throat so many times I lost count. The chemistry was OUT OF THIS FREAKING WORLD, and I absolutely devoured every single word. I didn't think it was possible to fall for Kelton harder, but sweet baby Jesus, I was so freaking wrong." - The FMR Book Grind "This book was phenomenal. I haven't read the other books in the series, and it's not necessary to understand this book. However, I'm reading them immediately. This book was that awesome." - Booklove Heart and Soul Topics: new adult, new adult romance, family saga, alpha male, family, triplets, romance series, sensual romance, kissing books, s.b. alexander, brothers, career, heartwarming romance, love story, soulmate, contemporary romance, angsty romance, long series, swoon, all the feels, heartwarming, steamy, sexy, beach reads, emotional, possessive hero, family saga, poker, sports, sports romance, second chance romance, baby, mafia, mob, feisty heroine.

Eternal love is worth waiting for. Since Lacey Robinson trekked off to college four years ago, Kade Maxwell has worried non-stop that her blackouts and panic attacks would destroy her independence. But with her graduation on the horizon, he begins to relax, knowing she'll soon be back in his arms. He's excited to do the one thing he's been longing to do—propose. But when he surprises her the day before graduation, he may be walking away instead. Lacey was practically born with a baseball in one hand and a mitt on the other. The only time she hasn't played was after the death of her mom and sister. The uphill climb to get back to pitching was painful, and if it weren't for Kade, she might not have made it. Now, a major league team is interested in her, but she knows that her sexy bad boy wants to get married. Fate is throwing curveballs at Kade and Lacey. Will they be brave enough to swing for love's homerun?
