In the ruthless arena of King Henry VIII’s court, only one man dares to gamble his life to win the king’s favor and ascend to the heights of political power England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king’s freedom destroys his adviser, the brilliant Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death.

Headstrong American heiress Lillian Bowman has come to England to find an aristocratic husband. Unfortunately, no man is strong enough to tame the stubborn beauty’s fierce will. Except, perhaps, the powerful and arrogant Earl of Westcliff—a man Lillian despises more than anyone she’s ever met. Marcus, Lord Westcliff, is famous for his icy English reserve and his supreme self-control. But something about the audacious Lillian drives him mad. Whenever they’re in the same room, they can’t stop themselves from battling furiously to gain the upper hand. Then one afternoon, a stunningly sensuous encounter changes everything . . . and Lillian discovers that beneath the earl’s reserved façade, he is the passionate and tender lover of her dreams. What neither Westcliff nor Lillian suspect, however, is that a sinister conspiracy threatens to destroy any chance of happiness. After a shocking betrayal endangers Lillian’s safety—and possibly her life—will Marcus be able to save her before it’s too late?

From New York Times bestselling author Diana Palmer revisits the story of the original Long, Tall Texans: the legendary man who built Jacobsville and the cowgirl who tamed him! Big John Jacobs is eager to expand his growing Texas ranch, but he needs the help of the local railroad baron. Unable to sway his prospective partner with his business offer, John offers a proposal of another kind—a marriage of convenience to Camilla Colby, the tycoon’s debutante daughter! Camilla knows John only married her for her father’s money, but she wants more than a bond in name only with her new husband. But will passion blaze when this fortune-seeking Long, Tall Texan brands his sweetly unassuming wife with his soul-searing kisses? Previously published in 2003

“Campbell captivates with passionate intensity.” — Sophia Nash “Anna Campbell is an amazing, daring new voice.” — New York Times bestselling author Lorraine Heath Anna Campbell is a romance author who is becoming well-known for her deeply sensual, uniquely dark and stormy stories—and she does not disappoint with My Reckless Surrender. Readers who adore the novels of Lisa Kleypas and earlier works of Catherine Coulter will be mesmerized by this breathtaking tale of a notorious, haunted lord seduced by a most reckless woman.

The heart always knows best... Everything changes in Susan Wilton’s life, when she takes the position of nanny-governess to Elizabeth, the five-year-old daughter of the Duke of Lennox. The Duke while charming and vigorous is still suffering from the loss of his wife in giving birth to their daughter.As Susan and the Duke work together, they find they have a lot in common, and mutual fascination grows, followed by a developing romance. However, Susan, also courted by Daniel, a handsome and dashing naval captain, finds she is torn between the two men and feels she is unable to make a commitment to either.But things are never exactly what they seem to be, and soon life-changing events begin to alter the dynamics in the two relationships as Susan begins to learn more about the two suitors.? A historical romance novel full of twists that'll keep you turning the pages ?*The Governess Who Stole My Heart is a historical standalone story of 85,000 words (around 350 pages). No cheating, no cliffhangers, and a super sweet happily ever after.Get this book for free with Kindle Unlimited!

This is the autobiography of Diana Mosley, the Mitford sister who grew up with the Churchills and married the British Fascist leader, Sir Oswald Mosley.

Read Diana Adores the Puzzled Earl

The Black Moth (1921) is a historical romance novel by Georgette Heyer. Initially devised as a series of stories for her younger brother Boris, who suffered from hemophilia, The Black Moth became Heyer’s debut novel following its discovery by her father, who recognized its merits and sought publication. Published in Britain and the United States, The Black Moth was a commercial success that launched the career of one of twentieth-century England’s most popular writers of fiction. Set during the Georgian era of the 1750s, the story follows Lord Jack Carstares, a disgraced nobleman who turns to a life of crime after taking the blame for his brother’s persistent dishonesty at cards. Branded a cheater and a thief, Jack briefly flees England before returning under the name of Sir Anthony Ferndale. Forced into the shadows, he becomes a highwayman notorious for robbing the carriages of the rich. Following his father’s death and his brother’s ascent to the head of the family estate, Jack is caught while robbing the carriage of a man who turns out to be Miles O’Hara, an old friend and Justice of the Peace. Arrested, Jack is forced to reveal his identity, and is promptly forgiven. Retaining his disguise and unready to rejoin the social life of England’s elite, Jack becomes embroiled in a scandal involving the abduction of Miss Diana Beaulaigh, whom he rescues from the wicked Duke of Andover. Unable to remain anonymous for much longer, Jack is pulled by his innate goodness toward the friends and family he has long since left behind, allowing him one last chance at redemption. With a beautifully designed cover and professionally typeset manuscript, this edition of Georgette Heyer’s The Black Moth is a classic work of English historical romance reimagined for modern readers.

So much has been written about Princes William and Harry, yet so little is really known about them. In this biography of the two brothers, Ingrid Seward examines the extraordinary lives of the two men who are second and third in line to the British throne. From the privileged childhood, through the trauma of their parents' divorce and subsequent tragic death of their mother, to the tabloid gossip and scandals of late, William and Harry have always fascinated. This account features interviews with close personal friends, giving an intimate insight into their lives.

"This is all I can give you," he said. "Do you agree?" "Yes," I whispered, my lips brushing against his. I hardly knew what I was saying. I could think of nothing other than the darkly powerful Edward St. Cyr. I was too lost in the moment, lost in pleasure that made the world a million colors of twisting light. I gave him my body, which he wanted, and my heart, which he didn't. Had I just made the biggest mistake of my life? Maybe when he knows about our baby it will heal his wounded heart, so he can love us both...
