Running a night train is expensive: passengers want creature comforts like showers that require heavy water to be hauled along the route, beds and private rooms take up more room than seats,...

Night trains are brilliant. So why doesn't the UK have any ...

A sleeper train rockets through the night; among its passengers might be a murderer. Night Train isn't quite as overtly Hitchcockian as it sounds, as Kawalerowicz was primarily interested in the quirks that people show in artificial social environments. Leon Niemczyk (Knife in the Water) and the director's wife, Lucyna Winnicka, are strangers sharing a compartment while studiously hiding ...

1940s. Largely painted in black and white, breathtaking illustrations feature pops of color as the train continues its trip until the full-color spectrum appears as dawn breaks and passengers arrive at the station. A nostalgic and innovative choice for readers fascinated by trains.

A sharp twist on the noir genre from one of England's finest fiction writers 'I worked one hundred murders,' says Detective Mike Hoolihan, an American policewoman. 'In my time I have come in on the aftermath of maybe a thousand suspicious deaths, most of which turned out to be suicides, accidentals or plain unattendeds. So I've seen them all: jumpers, stumpers, dumpers, dunkers, bleeders, floaters, poppers, bursters. But of all the bodies I have ever seen none has stayed with me, in my gut, like the body of Jennifer Rockwell. I say all this because I am part of the story I am going to tell, and I feel the need to give you some idea of where I'm coming from.' Night Train is a mystery story which lingers in the reader's mind even after Mike Hoolihan declares the case closed. Tough, noir, Chandleresque Independent Night Train is both delicate and bruising - a long drawn-out blue note. The book hangs around in the mind like smoke in a jazz club Telegraph Magazine

Chug-a-chug, the night night train Is a rumblin round the track! Choo! Choo! All aboard the train to Sleepytown! After a fun-filled day, it's time to snuggle in, and dream the night away. Join these adorable puppies in pajamas as they say night night to the train, to their mommy and daddy, and to God. award-winning books and the bestselling *A Night Night Prayer*. She lives outside Nashville with her husband and two children.

"David Quantick is one of the best kept secrets in the world of writing. He's smart, funny and unique. You should let yourself in on the secret." - Neil Gaiman From Emmy-Award winning author David Quantick, *Night Train* is a science-fiction horror story like no other. A woman wakes up, frightened and alone. The room shaking and jumping like it's alive. The noise is terrifying. Where is she? Stumbling through a door, she realizes she is on a train carriage. A carriage full of the dead. A personal hell unfolding in an apocalyptic future. This is NIGHT TRAIN. A terrifying ride set on a driverless locomotive, heading for a collision somewhere in the endless night. How did the woman get here? Who is she? And who are the dead? As our heroine makes her way through the train trying to find out what happened to her, she meets a former strongman, a trained killer, and a collection of strange and terrifying creatures. Each step takes her closer to finding out the secret of the Night Train.

This cinematic book takes readers along on a steam engine's journey through the night, from a city to a small town. Varied landscapes as well as color shifts show the passage of time from dusk to night to dawn. The rhythmic text is perfect for bedtime reading, and train lovers young and old will appreciate the various railway details incorporated in the text and art. Night train wakens to the dusk, groggy, stretching, load and roll, load and roll. Bringing warmth and wonder to the night, this book will send young readers off to sleep dreaming of the steady train journeying through the night.

File Type PDF Home Night Train

Night trains have long fascinated us with the possibilities of their private sleeping compartments, gilded dining cars, champagne bars and wealthy travellers. Authors from Agatha Christie to Graham Greene have used night trains to tell tales of romance, intrigue and decadence against a rolling background of dramatic landscapes. The reality could often be as thrilling: early British travellers on the Orient Express were advised to carry a revolver (as well as a teapot). In *Night Trains*, Andrew Martin attempts to relive the golden age of the great European sleeper trains by using their modern-day equivalents. This is no simple matter. The night trains have fallen on hard times, and the services are disappearing one by one. But if the Orient Express experience can only be recreated by taking three separate sleepers, the intriguing characters and exotic atmospheres have survived. Whether the backdrop is 3am at a Turkish customs post, the sun rising over the Riviera, or the constant twilight of a Norwegian summer night, Martin rediscovers the pleasures of a continent connected by rail. By tracing the history of the sleeper trains, he reveals much of the recent history of Europe itself. The original sleepers helped break down national barriers and unify the continent. Martin uncovers modern instances of European unity - and otherwise - as he traverses the continent during 'interesting times', with Brexit looming. Against this tumultuous backdrop, he experiences his own smaller dramas, as he fails to find crucial connecting stations, ponders the mystery of the compartment dog, and becomes embroiled in his very own night train whodunit.

When Max is sent to Istanbul to stay with her boring Great Aunt-Elodie, little does she expect to be plunged into a thrilling nighttime adventure across Europe. Max must find her feet in a

File Type PDF Home Night Train

whirling world of would-be diamond smugglers, thieves and undercover detectives. Will she discover the real diamond thief before they reach their destination?

In 1963, at the age of 17, Dwayne Hallston discovers James Brown and wants to perform just like him. His band, the Amazing Rumlbers, studies and rehearses Brown's Live at the Apollo album in the storage room of his father's shop in their small North Carolina town. Meanwhile, Dwayne's forbidden black friend Larry -- aspiring to play piano like Thelonius Monk -- apprentices to a jazz musician called the Bleeder. His mother hopes music will allow him to escape the South. A dancing chicken and a mutual passion for music help Dwayne and Larry as they try to achieve their dreams and maintain their friendship, even while their world says both are impossible. In *The Night Train*, Edgerton's trademark humor reminds us of our divided national history and the way music has helped bring us together.

The bestselling novel of love and sacrifice under fascist rule, and "a treat for the mind. One of the best books I have read in a long time" (Isabel Allende). Raimund Gregorius, a professor of dead languages at a Swiss secondary school, lives a life governed by routine. Then, an enigmatic Portuguese woman stirs his interest in an obscure, and mind-expanding book of philosophy that opens the possibility of changing Raimund's existence. That same night, he takes the train to Lisbon to research the book's phantom author, Amadeu de Prado, a renowned physician whose principles led him to confront Salazar's dictatorship. Raimund, now obsessed with unlocking the mystery behind the man, is determined to meet all those on whom Prado left an indelible mark. Among them: his eighty-year-old sister, who maintains her

File Type PDF Home Night Train

brother's house as if it were a museum; an elderly cleric and torture survivor confined to a nursing home; and Prado's childhood friend and eventual partner in the Resistance. The closer Raimund comes to the truth of Prado's life, and eventual fate, an extraordinary tale takes shape amid the labyrinthine memories of Prado's intimate circle of family and friends, working in utmost secrecy to fight dictatorship, and the betrayals that threaten to expose them. "A meditative, deliberate exploration of loneliness, language and the human condition" (The San Diego Union-Tribune), *Night Train to Lisbon* "call[s] to mind the magical realism of Jorge Amado or Gabriel Garcia Marquez . . . allusive and thought-provoking, intellectually curious and yet heartbreakingly jaded," and inexorably propelled by the haunting mystery at its heart (The Providence Journal). *Night Train to Lisbon* was adapted into Bille August's award-winning 2013 film starring Jeremy Irons, Lena Olin, Christopher Lee, and Charlotte Rampling.

Night Train to Lisbon is a sensuous tale of the pursuit of love and passion against all odds, set in the 1930s when the world was on the brink of war and suspicion of loyalty, motivation, and intent -- to both country and lover -- was at flood tide. Carson Weatherell is a privileged young American woman traveling in Europe in 1936, courtesy of her aunt and uncle who live abroad and have kindly offered to show her the sights. A bout of illness and self-pity almost send her back to her sheltered Connecticut life, but on an overnight train to Lisbon, she suddenly can't imagine returning home. On that train she meets Alec Breve, a young British scientist traveling with a group of colleagues -- and in his company, Carson finds that she's enjoying herself, certainly for the first time since she left New York Harbor, and quite possibly for the first time in her life. In Lisbon, Carson and Alec begin an intense love affair, but their bliss is threatened

File Type PDF Home Night Train

when Carson's uncle reveals that Alec might be a spy for Germany. He insists that it is essential that Alec be trapped and brought to justice, and the only person who can deliver an unsuspecting Alec to the proper authorities is Carson. Desperate to believe in her new love -- and terrified of discovering she has fallen for a traitor -- Carson must choose whether to prove her lover innocent or leave him to face the consequences on his own. A riveting page-turner, *Night Train to Lisbon* travels back to the days when war loomed, the Mitford sisters dazzled, and night trains brimmed with romance and intrigue, delivering a mesmerizing novel of a love that must truly conquer all in order to survive.
