"Such a visual piece ... readers young and old will return to the story to look more deeply; they won't be disappointed." — Booklist (starred review) In a city full of hurried people, only young Will notices the bird lying hurt on the ground. With the help of his sympathetic mother, he gently wraps the injured bird and takes it home. Wistful and uplifting in true Bob Graham fashion, here is a tale of possibility — and of the souls who never doubt its power.

"When Mai's family discovers that Vietnam government soldiers will soon apprehend her father and grandmother, the family slips away in the night. They trudge through the swamps of the Mekong Delta toward the sea. The gut-wrenching trip to Hong Kong is just another step toward a new life, which the family eventually finds. Whelan's characters are distinctive, and her story is riveting, haunting, and memorable, reflecting the human virtues of determination, hope, love, and courage in the face of the most devastating of circumstances and injustices." —Booklist.

Dexter the dog is so little that Clevis the tomcat bullies him. But little Dex has dreams—big dreams. He wants to be a superhero. Dexter has determination, spirit, and heart as he proves, above all, that no matter how little you are, you can still do very big things.

In this charming story about celebrating differences a Chinese-American girl wishes for a garden of bright flowers instead of one full of bumpy, ugly, vegetables. The neighbors' gardens look so much prettier and so much more inviting to the young gardener than the garden of "black-purple-green vines, fuzzy wrinkled leaves, prickly stems, and a few little yellow flowers" that she and her mother grow. Nevertheless, mother assures her that "these are better than flowers." Come harvest time, everyone agrees as those ugly Chinese vegetables become the tastiest, most aromatic soup they have ever known. As the neighborhood comes together to share flowers and ugly vegetable soup, the young gardener learns that regardless of appearances, everything has its own beauty and purpose. THE UGLY VEGETABLES springs forth with the bright and cheerful colors of blooming flowers and lumpy vegetables. Grace Lin's playful illustrations pour forth with abundant treasures. Complete with a guide to the Chinese pronunciation of the vegetables and the recipe for ugly vegetable soup! Try it . . . you'll love it, too!
