Breathability and air-flow is key in the Les Mills collections, ideal if you sweat a lot during your workout and want to support your body in keeping cool as the heat of your workout rises. While women can enjoy chafe-free training with their leggings, men benefit from their slim fit tees that also provide chafe-free seams and crew necks with perforated fabric for increased air-flow.

Exercise is our everything. It shapes how we eat, move and find motivation. We're a likeminded group who share a passion for aiming high to go far – as individuals...and as an organization. By giving our all – whether it's to leading or learning – we're developing and growing each day. So those audacious goals we lay down become much easier to smash out of the park.
