Puntos de partida means "points of departure," which is precisely what this course provides for new learners of Spanish as a foreign language—it's a point of departure for a vast array of learning opportunities, including both the language and the diverse cultures of the Spanish-speaking world. Built on the foundation of a bestselling, classroom-tested introductory Spanish program, this edition has been thoroughly adapted for the needs of both Spanish instructors and learners...

The separate Workbook and Laboratory Manual from previous editions have been combined into one, two-volume WBLM. Both volumes have been significantly updated and carefully integrated with the textbook to offer additional practice with vocabulary, grammar, and culture, as well as pronunciation, listening comprehension, and video-based activities. (Vol. 1 covers Capítulos 1–9.)

This compilation of materials is filled with imaginative classroom tested ideas to help both teachers and students focus on the real aspects of the language Every chapter has fun exercises to interest the first-year and conver- sational Spanish student. Short pronunciation practices, listening exercises, grammar worksheets, integrative commun- ication building activities, comprehensive chapter reviews, and language games make this invaluable to the Spanish teacher using PUNTOS DE PARTIDA.

Take a fresh look at Puntos – it's everything you wanted and more than you hoped for. Puntos has offered more than a million students a solid foundation to their language studies. The new edition of Puntos maintains its pioneer approach of the development of all four skills with a strong grammar and vocabulary foundation, as well as the teacher tested activities. The new design of Puntos brings to this program the best tradition of excellence and outstanding instructor support adaptable to different teaching and learning styles. Puntos , the most successful Intro Spanish program ever, is now: breaking new ground to meet the changing needs for face-to-face, hybrid, and online Spanish programs. offering students more opportunities to develop their communication skills via TelePuntos, a new integrated video program with corresponding in-text and digital activities. innovating through LearnSmart, a first-of-its-kind adaptive learning system within McGraw-Hill Connect, adjusts to the learning needs of every student This new edition of Puntos provides students with all of the necessary tools to take their second language acquisition from the classroom into their daily lives in an efficient and personalized way. With Connect Spanish, the exclusive digital learning platform from McGraw-Hill, students have access to Mundo interactivo, an immersive, story-based world where they experience the thrill of mastering relevant, task-based communication scenarios in real-world contexts. Also, with synchronous and asynchronous video chat functionality, students can easily engage in communication practice online. Additionally, McGraw-Hill and Blackboard® have teamed up to simplify the instructor and student digital learning experience! McGraw-Hill allows you to manage your course content, assignments, assessments, and grades all from within your institution's existing Blackboard environment. Puntos - it WILL take you there! *Connect Spanish, including but not limited to the workbook/lab manual, LearnSmart, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

As the best-selling introductory Spanish textbook in the United States, Puntos de partida has long been a favorite of instructors across the country. For this new edition, the authors and editors of Puntos have turned to those very instructors to help formulate a plan that would respond to the needs of a changing discipline. We reached out to more than 275 students and instructors across the country, and the result is a thoroughly revised edition that we are confident will address new needs and preferences while continuing to provide the solid foundation in communicative language development that is the hallmark of Puntos de partida. Learn more about the Puntos program at the Online Learning Center - www.mhhe.com/puntos8 or at CENTRO - www.mhcentro.com Puntos de partida is available with CENTRO a portal learning management system through which various digital components, including Quia™ Workbooks and Laboratory Manuals and interactive e-books, are delivered. This McGraw-Hill exclusive system offers a single log-in authentication for students and a single gradebook for instructors.
