In “Reckoning” the final book of The Ixan Prophecies, the author completes his outstanding story within the complex universe that he created. The themes of both vengeance and desperation carry a major role early on, especially during the battle scenes. Later, doing what is right &/or necessary for humanity takes precedence, no matter the costs.

Reckoning is the third and final book in the Ixan Prophecies Trilogy series. If you are looking for a well written SciFi Military book, and series, this is a good one to read. You can read this as a standalone book but it does start from the previous book's cliffhanger. There is a lot of violence. This book was as good to read as the first two were.

The UHS Providence is restored to her former glory, with a fully reconstituted Air Group ready for war. But the Ixan fleet has grown far larger than anyone anticipated, and the onslaught has begun. As system after system is consumed, the Ixan Prophecies' terrifying nature is revealed. Even so, Captain Keyes's obsession with vengeance is starting to fracture already-shaky alliances. If he cannot overcome his demons and reclaim his honor, the entire galaxy will burn. Experience the final novel in a trilogy readers are calling "an action-packed military thrill ride." Download Reckoning today and learn the shocking truth about the Ixan Prophecies.

Captain Keyes captains the Providence, the last human ship not dependent on dark tech, which humanity has used to rule the galaxy for decades. When dark tech fails, allies become enemies. Meanwhile, humanity's oldest enemy is on the rise. The future now depends on Captain Keyes and his misfit crew.

The Galaxy's Never Had It Darker Armed with new tech that could revolutionize space combat, Captain Husher must now try to convince the Interstellar Union to implement it in time to defend against the godlike Progenitors.

These days, even the humans are built by robots. Charlie7 is the progenitor of a mechanical race he built from the ashes of a dead world—Earth. He is a robot of leisure and idle political meddling—a

retirement well-earned. Or he was, until a human girl named Eve was dropped in his lap. Geneticists have restored Earth's biome and begun repopulation. But primate cloning is in its infancy; human cloning is banned. Far from a failed genetics experiment, Eve is brilliant, curious, and heartbreakingly naïve about her species' history. But Eve's creator wants her back and has a gruesome fate planned for her. There is only one robot qualified to protect her. For the first time in a thousand years, Charlie7 has a human race to protect. A.I. didn't destroy humanity. It didn't save us, either. The robots we built in our final days preserved human minds. They survived the end of life on Earth and embarked on the greatest single project in all recorded history. They rebuilt. The result of 1,000 years of genetic engineering, terraforming, and painstaking toxic cleanup has resulted in the ultimate achievement of the Post-Invasion Age: a healthy human. Her name is Eve14. Don't ask about the 13 Eves before her. Or do, because that's the reason why she's in danger, and why one brave robot puts his millennium-long life on the line to save her. Welcome back to the Golden Age of science fiction, when scientists had planet-sized dreams and robots were robots. Grab your copy while there's still an Earth left to read it on.

After the mysterious discovery of an alien mech inside a comet, Darkstream Security has finally completed its own design. They assign Chief Gabriel Roach with the task of whittling down hundreds of bright young recruits to form a team of elite mech pilots, which he will command. Their mission: protect human colonies from the almighty Quatro.

Captain Keyes has succeeded in forging an uneasy alliance - at the cost of making some powerful enemies. Now, he's wanted throughout the galaxy. Even worse: they're after his ship. His enemies inside the UHF have realized that only the Providence stands even a slight chance of stopping them. The Ixan Prophecies continue to come true, and humanity's doom is taking shape. The UHF ignores the mounting public panic, obsessed instead with waging prolonged war against a species that was recently an ally. While the UHF attacks its allies, the real enemy is approaching. For Captain Keyes, there remains only one way to make sure there's something left of humanity to fight the coming Ixan onslaught: he must take down the UHF. The juggernaut is coming.

The galactic balance of power tilts, and Terra Nova comes into the cross hairs. After narrowly escaping Diasore's destruction, Kit Carson and her Pathfinders arrive on the Zeis home world to recruit new allies, only to find themselves thrown into an insurrection. Ken Hale is in a race against time to build up his colony's defenses, but when his new soldiers turn up dead, he must enlist the help of a retired assassin to find a deranged killer. The Ultari Empire rekindles under the returned Emperor, and their quest for vengeance will burn worlds across the galaxy...and Terra Nova is the next target. Wings of Redemption is the third action-packed book in the Terra Nova Chronicles, taking readers deeper into a dangerous new galaxy.

Smith comes another harrowing story of survival in a post-apocalyptic world. The end of the world is just the beginning of the hunt... Estes Park Police Chief Marcus Colton and tracker Sam 'Raven' Spears have never liked one another, but when a young girl goes missing in Rocky Mountain National Park, Colton hires Spears to help find her. Their search ends after a night of devastating horror. When word reaches Estes that the nation has been hit by a coordinated electromagnetic pulse attack, Colton and Spears are forced to work together again. But they quickly realize they aren't just tracking a killer--they are tracking a madman. As the United States descends into chaos, the hunters become the hunted. Halfway across the country, Senator Charlize Montgomery awakes to find the nation's capital has gone dark. Forced to set off on foot, she treks across a city that has woken to a new world, and as the night progresses, she learns the EMP attack was just the beginning...

The galaxy has already fallen. He defends what's left. Joe is nearing the end of a long deployment, and he's looking forward to some home leave so he can visit his daughter. His last assignment takes him to Earth, humanity's deserted homeworld, to learn why all contact has been lost with the Subverse - the digital utopia where most of humanity now lives. He's expecting the answer to be boring. Probably, rats chewed their way into the server room again. He couldn't be more wrong. He finds a pirate impersonating the corporal responsible for guarding the Subverse terminal. Then he visits Earth's last settlement to find everyone dead...except the children, who have all been taken. These clues lead

Joe on an epic journey across a dying galaxy, with just his training and skill to rely on. Joe is the last person anyone would want the fate of humanity to depend on. He's also the only person willing to do what needs to be done.

"The remnants of the Expeditionary Force stranded on the alien-controlled planet 'Paradise' get a chance to prove themselves, in a simple off-world training mission with a ship full of teenage alien cadets. When the mission goes horribly wrong and the survival of everyone on Paradise is at risk, the Merry Band of Pirates may have to come to the rescue. Unless they get killed first..." -- Page [4] of cover.
