NCERT Class 9 Science Lab Manual – Separation of Mixture

File Type PDF Science 9 Lab Physical And Chemical Properties Weebly

Experiment Aim To separate the components of a mixture of sand, common salt and ammonium chloride (or camphor) by sublimation. Theory Natural substances are not chemically pure. Different methods of separation are used to get individual components from a mixture. But, before separating any components [...]

NCERT Class 9 Science Lab Manual - Separation of Mixture ...

Online labs provide your students with the possibility to conduct scientific experiments in an online environment. Remotely-operated labs (remote labs) offer an opportunity to experiment with real equipment from remote locations. Virtual labs simulate the scientific equipment. Data sets present data from already performed lab experiments.
