He remains crucial to the 1940s and '50s, and was a popular presence into the 1980s, composing his later poems in his head and reciting from memory. Too long he has been sidelined by shifts of critical fashion. Selected Poems includes a critical preface by John Clegg who essentialises and celebrates the work. Three of Heath-Stubbs' translations of Leopardi – revered by subsequent translators, and long out of print – are included.
