In it you'll learn how to:\* get organized so you don't feel like your life is being taken over by coupons\* take advantage of bonus days and weekly or daily specials on foods, medicines and toiletries\* save on ORGANIC foods and earth friendly household products\* get more coupons than you'll know what to do with\* make money with your excess coupons you don't plan on using\* take advantage of sales that you didn't even think would pertain to you and put EXTRA CASH in your pocket in the same time\* negotiate store policies so that you maximize the amount of money you save\* save big money at drug stores like CVS, Walgreen's and RiteAid\* and much, much more!Even if you have never used a coupon before you can start dramatically lowering your grocery bills with coupons starting today. There are no real "tricks" to spending less money on groceries. Successful couponing is about having a system of organization. And Coupon Millionaire will provide you with a shortcut to a system that is proven to work.If you think you already know all there is to know about couponing, then you wouldn't be reading this page. But even the most experienced couponers have walked away with some new tips they hadn't considered before. Like anything, you get out of it what you put into it. So if you're serious about saving money on groceries the next time you go shopping, then roll up your sleeves and get out those scissors so you too can start saving some serious cash!

For the first time in history, eradicating world poverty is within our reach. Yet around the world, a billion people struggle to live each day on less than many of us pay for bottled water. In *The Life You Can Save*, Peter Singer uses ethical arguments, illuminating examples, and case studies of charitable giving to show that our current response to world poverty is not only insufficient but morally indefensible. *The Life You Can Save* teaches us to be a part of the solution, helping others as we help ourselves.

In Indian colleges today, attendance is the only motivation to attend classes. Niranjana Balram rejected a four-year-long dream to attend university in the United States even after being accepted by top universities because the cost exceeded the worth. In her journey to look for more affordable solutions, she decides to apply to universities that best suited her and somehow ends up having to attend one year at an Indian college. However, she hates it and drops out. If you ' ve struggled with maintaining the bare minimum attendance percentage, were dissatisfied with the college education you ' re receiving or found it difficult to find the right college for you, this book is a humorously narrated personal journey of one girl ' s dream of finding her perfect college.
