save the toilet's life? Find out inside!

In this horse adventure perfect for fans of Black Beauty, a Connemara pony is pampered and beloved, then abused and neglected, until twelve-year-old Rae brings love to her again. Princess lives a charmed life of brown sugar cubes, crunchy apples, sweet grass, and adoration. But it is a lonely life; her elderly owner keeps Princess separate from other ponies so his show-ring champion will remain pristine. When Princess's owner has a stroke, she is thrust into the care of an unscrupulous trainer and his wife, who steal from the farm and leave. Abandoned to starve with other, tougher ponies, Princess is bereft of all hope. Meanwhile, a girl named Rae wants a pony more than anything and is striving to make her unrealistic dream a reality. Rae and Princess need each other, though

Read PDF The Hungry Toilet

neither realizes this when they eventually meet. Rae must learn to see beyond Princess's scars and Princess must learn to trust again in order for them both to find their own hidden strengths and a home in each other.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

"One smart book . . . delving deep into the history and implications of a daily act that dare not speak its name." □Newsweek
Acclaimed as "extraordinary" (The New York Times) and "a classic" (Los Angeles Times), *The Big Necessity* is on its way to removing the taboo on bodily waste□something common to all and as natural as breathing. We prefer not to talk about it, but we should□even those of us who take care of our business in pristine,

Read PDF The Hungry Toilet

sanitary conditions. Disease spread by waste kills more people worldwide every year than any other single cause of death. Even in America, nearly two million people have no access to an indoor toilet. Yet the subject remains unmentionable. Moving from the underground sewers of Paris, London, and New York (an infrastructure disaster waiting to happen) to an Indian slum where ten toilets are shared by 60,000 people, *The Big Necessity* breaks the silence, revealing everything that matters about how people do—and don't—deal with their own waste. With razor-sharp wit and crusading urgency, mixing levity with gravity, Rose George has turned the subject we like to avoid into a cause with the most serious of consequences.

Aspiring to win a cash prize that will help his family avoid eviction after his father
