Wolfgirl is the first book in the The Lost Girls series, a paranormal and urban fantasy detective series set in the near future.. An all expenses paid vacation to Dark Earth to see how wild the west really was seems too good to be true. The CEO of a biotech company's family is attacked by natives and one of their number held for ransom.

The Lost Girl needs to get lost and stay lost. It was fine until page 47, but nearly every page after that was terrible. The chapters from 1950 are the only ones worth bothering with, the 2015 stuff was nothing more than played out drivel from some of R.L. Stine's worst books, and it started to lack all sense heading towards the end.
