My personal spiritual journey leading to valuable life lessons and creating easy steps to improving one's self-worth and living according to their own agenda.

Wanting desperately to be behind the wheel, Luke Fulmer counts down the days to his sixteenth birthday, when he can finally get his license. Unfortunately, the first thing he does with it is "borrow" his neighbor's car. When he is pulled over and found in possession of an air pistol, a ski mask, a stolen TV, and a bag of pot, the unforgiving local magistrate takes scissors to his license and vows to lock him up if he ever stands in front of her again. So with an absent father and a mother descending into alcoholism, he moves in with his older brother, Nick, an easygoing ex-con who wants to steer Luke onto the straight and narrow. In the summer that follows, Luke contends with a kleptomaniac girlfriend, a duffel bag full of cocaine, and the realization that he must save his family from themselves, even as he plots to beat a path out of town. In his hilarious, unforgettable debut -- with everything from stock car racing to drug dealing -- Dallas Hudgens brilliantly evokes Southern culture in a tale that is raucous and wrenching, funny and wise.

Technically this is a novel. About a guy and his punk band. Who start out shitty, but persevere, and eventually become pretty popular. If I mentioned that Ben Foster is better known as Ben Weasel from Screeching Weasel, you'll get a much more nuanced idea about what this book is about, and certainly, what this novel MIGHT be based upon. Regardless, it's a great, rollicking read. Whether or not it's entirely true, or entirely false, anyone with any knowledge of 90s punk in America will recognise large chunks of this. And anyone with any interest in, appreciation of, or experience of being in a band, breaking up with a girl, or punk rock, will thoroughly enjoy. It's that good. Though why he had to kill off his guitarist and best friend at the end I'll leave to his shrink to fathom...

It is an undeniable fact that the very concept of hell is shrouded in mystery. We know what books and movies tell us hell is like, but we're left with so many questions. Is hell simply a place where sinners are sent to suffer for their sins, or is it much, much more than that? All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place. From the "traditional" view of hell as a place of eternal torment to the early Christian view that hell is a place of suffering intended to purge sin and to bring about repentance, no other book gives such in-depth biblical insight into the truths about hell that are hidden in all the hype. Features include: Complete coverage of the three most popular views on hell Clear explanation of what Scripture really says An easy and interesting read for laypeople, pastors, and scholars alike

What in Hell Do You Want? is taken from the parable of the rich man and Lazarus with a surprising twist. Hell can be in your mind. Hell can be in your job. Hell can be a living, breathing part of you. Hell can also be stopped. Good habits are learned just like bad habitsthrough practice. It brings awareness of the decisions and choices a person makes and their impact on his life. The power of knowing is what you live by. The rich man lived abundantly, and Lazarus lived in obscurity. Why?

Max is a man. An assassin, to be exact. But within him lurks the Beast, an unholy demon that drives Max to kill - and to commit acts even more hideous. Throughout the years, the Beast has taught Max well, and Max has become quite proficient in his chosen field. He is an assassin unlike any other. To put it mildly. But now Max has a son, an unnatural offspring named Angel, born of Max's pain and hunger. Through Angel, the spirits of Max's former victims see a way to make Max suffer, to make him pay for his monstrous crimes. These vengeful ghosts fight hard to trap Angel in their world forever. And while angel battles his father's demons, Max himself must try to escape from the government agents intent on capturing him - dead or alive.
